*This automated poll was conducted by Susquehanna Polling & Research, Inc. on behalf of ABC27. The poll was conducted November 17-19, 2009 with 1,088 residents living within a 10-mile radius of Three Mile Island Nuclear Power Plant, also known as the Emergency Protection Zone (EPZ) as defined by TMI. Calls were made using a list of residents within the 10-mile EPZ and were selected based upon ZIP codes. Calls were monitored to ensure a representative sample was achieved according to various demographic statistics of the region including age, gender, and geographic area. The poll has a margin of error of +/- 2.97% at the 95% confidence level. Susquehanna Polling & Research is a Harrisburg, PA based polling firm.*
